“ *Very upsetting to hear now of Fred’s passing. I live in Switzerland and have not been able to get Fred by email or phone - both were always difficult. The last email from Fred was March 1, 2021. Now I see he passed on the 26th.*

After not being able to travel to Canada for a year and half, I was trying to get in touch for our traditional meet up dinner soon at The Keg, Not this time, Fred.

How long have I known Fred? Since the day he was born.

We both lived on Blantyre Avenue, Scarborough -next door across the road at Linton.

I was born 14 days before Fred. We were best friends for years , fishing buddies at Pine Point. Went through Blantyre PS and Malvern. Our mothers had us in the same playpen as soon as we could sit up. Fred joined us for a number of great trips to the Maritimes and we managed to fish on the way. Trout in the Bay of Fundy park, one of my most memorable lines with Fred standing on a pier fishing in NB and I brought in a nice fish and called out "Fred - Holy Mackerel !!!!" And that was what it was.

To my parents, he was always "Freddie"

I moved out further into Scarborough from Blantyre at the end of Malvern and Fred went off to Carleton while I went to York.

I moved on my journey, Montreal, New Zealand and Switzerland, We lost touch.

I was able to reach out and connect to Fred about 8 years ago,. We met up in Toronto on one of my trips at The Keg. It was immediately back to the "old Days" as if we had seen each other the other day rather than 40 years. Made a point of getting together nearly every year since. Same Fred and same jokes and stories.

Now Fred has moved on. Stay well youngster. Great memories do not fade.

Some day not too long now we will get out our bicycles and fishing gear and cycle again from Pine Point and back to fish for trout at Enniskillen. No matter what you say, mine were still bigger than yours.

A tear or two and many, many smiles. Love to Fred and his family and friends.

“ Fred was such a devoted Poppa to his boys. He was calm, patient, and loving, especially when they needed him most. However, there was one day that he forgot to bring the usual McDonald's for Thursday lunch. There was a bit of a scramble to make sure that the boys got their lunch and they ended up getting three McDonald's lunches that day. For many Thursdays after, the school office staff would gently remind him that it was Thursday and McDonald's day. He took this in stride and joked about how he only forgot once and now he was going to be reminded of his mistake every Thursday forever. We will all miss Fred, and know that the world is a better place because he was in it.

“ It is with heavy heart to hear about Fred’s passing. He has been a solid rock for his grandchildren throughout the years I have known him while bringing and picking up the boys from school. He had a wonderful sense of humour and a ton of love for the boys. Fred will be missed dearly around the school. My thoughts are with you Marg, Dylan, Owen and Domenic and family during this time and well into the future.

Fred's beautiful picture tells a thousand words. His kindness, gentle nature along with his engaging smile & witty sense of humor will always be cherished by those who knew him and met him... Where a beautiful soul has travelled, beautiful memories remain forever. Fred kind soul and giving spirit touched those that knew him in so many ways. "Come to me, all who are weary and burdened, and I will give you rest."~ Matthew 11:28 Eternal rest grant unto him We'll keep our dearest Marg, their dog, and her family in our prayers for God's healing and strength through this time of their loss.. May his soul and the soul of all the faithfully departed, through the mercy of God, rest in peace. (The Swamy Family (Dennis, Lynette, Amanda(Deepak), Matthew & Luke)
