

Mrs. Gail Jessie Allegri

February 8, 2018

Gail Allegri (née Morey) passed away peacefully, surrounded by loved ones following a short illness in Toronto in her 76th year.

Gail was born along with her twin brother, Gary, in Toronto. When Gail was 25, she moved to Bermuda where she met, fell in love with and married the love of her life, Roland. They spent many wonderful years in Bermuda and started their family there with the birth of their son Carlo. After several years in Bermuda, it was time for Gail and her family to move to Canada in 1974 coinciding with the blessed birth of her daughter, Nicole.

Gail spent much of her time raising her children and was very active in her volunteer work helping various organizations she was passionate about such as the Association for Children with Learning Disabilities (ACLD), Grassroots Political campaigns, Women's Shelters, among many others. Gail always put her loved ones first to the very end and was a proud, self-declared lioness to her husband, children and loved ones. She was selfless in the way she loved and cared for others.

Gail was a loving wife to Roland for 51 years. Adoring mother to Carlo (Maritza Angel), Nicole (Randy Reynoso), her grandchildren, William, Jackson and Aidan brought her immeasurable joy. Remarkably also survived by her 96 year old mother, Kathryn Brown, and also her twin brother Gary (Agnes)

Morey. Beloved Aunt to many, including Yvonne Morey, Steven (Robyn) Morey, and twins Jamie (Deb Burt) Hurvid and Rick (Barb King) Hurvid. She was also a beloved 'Sister' to Marilyn Mushinski and 'Auntie' to Dawn and Amy Mushinski. She will also be missed by her loyal friends all those who knew her.

Gail led a life by example and was an extremely positive influence on her loved ones. She was guided by a strong moral compass, was a safe harbor for those she loved and was a fearless defender of those she cherished. She was her families LIONESS.

There will be a private Celebration of Life and a private interment following in the spring.

In Lieu of flowers, should you be interested in making a donation, the Canadian Cancer Society would be a welcome choice, or your favorite charity.

“ I met Gail through my sister Marilyn in 1977. Our children were young and would play together. Gail always treated me like a long lost sister (I was living in England). We would go and visit Gail and Roly when I visited Canada and it was like we had never been apart. My nieces loved her as did I.

She was just a beautiful, caring person, who put others before herself. I cannot believe I will not see her when I next visit. Heaven's gain is our loss.

Roly, Carlo Nicky and family you are in our thoughts and prayers.

Love and blessings from Barbara and Nigel

“ *My friendship with Gail was a very important part of my life. We would often go to the Chicken Chalet on Lawrence for lunch. We would arrive at twelve noon and leave at five. The staff knew us and would seat us at our quiet table in the back corner. There we would talk exchanging opinions, advice and what was going on in our lives. Gail was wise, brave and kind. When she learned of her last challenge she phoned me herself because she wanted to warn me and prepare me. This was just like Gail putting the needs of the other person before her own. She told me how proud she was of Carlo and Niki and that she was happy with their choices in life because she knew they would be okay. She spoke about how caring Roley was. Gail was a very special person and will be missed by all who knew her.*
