“ I remember the group of friends at the trailer Bill Deb Bert Ann Miles Linda John Eleanor George and I having such fun drinking on weekends at the park around the campfire Having fun in my little pool daytime having water fights and Gail starting the fights and having such fun. After Gary passed our group changed and I missed it all so much, I miss all the fun and the friends Gail and Gary. You are at peace now with him. Rest well.

“ Never a dull moment when Gail was around.... first memory that comes to mind was summer of 1989 when I lived with my meat friend Mandy.... Gail thought it was funny to pour water on our heads from the window above the entrance door... best was the night Mandy and I slept in the tent in the yard...she dumped a bucket on the tent poor Gail thought she got us good but we had snuck out of the tent to go meet boys haha! RIP Gail 🦋
