

Mr. Gary William Cleeton

December 23, 2014

Gary Cleeton was an extraordinary person. He was a loving and supportive father, husband, grandfather and friend, and his love and proudness for his children would shine through in everything he did. His passion for adventure never tired as he grew older, and he never let anything get in the way of that. He was strong and young at heart and always had smile on his face. He taught his children and grandchildren to be strong, to be silly and to be free.

All of the amazing memories we have of him will be cherished forever and he will live on in our hearts

"I love you more than ever, more than time and more than love. I love you more than money and more than the stars above. I love you more than all these things with a love that doesn't bend. And if there is eternity, I'd love you there again" - Bob Dylan

“ Well, damn. Just thought I'd look up Gary, and lo and behold he is off into the abyss. Gary was a kind fellow and had more zest for life than most. He once took me skydiving; it was a double mal and I literally thought I was going to die. Seeing he and the other fellow that we were with after walking away from the crash was one of the happiest moments of my life. Maybe it was luck, but I never heard Gary be crass or angry or speak ill of others. Sad to see that he has passed

See you on the other side, my friend.

“ you were 13 and I was 12... I fell in love with you the first time I met you and I have loved you always. I spent most of my teenage years at your house with mom and John, John c and of course Dave....Sundays were our family day who could ever forget chicken soup and card games every sunday...how would I ever have passed home economics gr. 9 without you...you patiently sewing my ugly green dress so I could get my final grade...I was there for your marriages and the birth of cresta and shane..you were there for my marriage and you were living with us when chantelle was born...you and kesa stayed with us and I remember when beau was born....you brought beau and leah to chantelle's wedding and we stayed up way to late and laughed all night...so many stories through so many years....how many times did you help me with kindness and understanding while I battled with chantelle and her demons... I feel like everything familiar from my childhood is now gone... I will miss you my friend...I rest knowing my daughter is now in your loving arms..give her a kiss from her mom...love you forever...

I love you still

“ Gary was a great friend to me and my children...he will be sadly missed. Gary was like a brother, during our hardest trying times, we were there for each other to listen and be supportive. No matter how many obstacles Gary encountered, he always overcame and saw the brightness that was yet to come....he saw the good in people. You could not get a better friend, Dad, grandad, partner, tradesman, or business colleague than him. He always talked so proudly of his kids and grandkids. Although Gary and I didn't see one another too often in the past few years, when we did meet, it was like old times and we just picked up where we left off. I will miss you my friend, you will always have a special place in my heart. I wish you happiness forever in the skyworld above. My sincere condolences to Gary's family.

“ Gary, I will do what I can to continue your Rainbow dream. I can feel you pushing me even from the other side. Amazing how strong your soul is - like in life. May peace come to your family and friends at this hard time. What a beautiful photo of him holding the baby. A perfect photo to take into my heart for him. I did not know him prior to his accident and only had the opportunity recently to be connected in a mutually rested manner..... I appreciate the push!

“ Gary was a kind, hardworking co-worker and great friend. He always had a smile, and didn't let the small stuff bother him. He lived life to the fullest , and he always had a story to tell me whether it was his sky diving, his family and work . This is very difficult for me to accept, can't believe he is gone. Gary, had once given me one of his pain killers after i was complaining of back pain. I was so out of it and was so sick, he kept calling me to make sure I was ok ..then he told me he would never give me his meds again lol... I will miss you my friend. You are no longer in pain and in god's arms. RIP Gary.

“ I met Gary about 1 year ago and instantly liked him. He had a kind spirit and a gentle, caring nature. Gary was so proud of his sons art and gave me the link to his website. We talked about my son who was just about to graduate from Fine Art at Western University. I am incredibly saddened to hear of Gary's passing. The wold has lost a loving soul.

“ Gary was a good professional and he had shared his Scuba Diving experience. He loved his Truck and he talked about his truck a lot. He said his surgery was going to be in and out and no complications ever expected.

We really miss you Gary!

Rest in Peace!!!

“ Gary was not only my boss for a year, but he truly was a friend. He always talked about you Wendy and all his kids and grandchildren. He was so proud of his family and his face beamed every time he talked to me about you guys. He shared many fond and funny stories. He was very ambitious and nothing was going to stop him. He was a caring and generous man. I learned a lot from Gary. He will definitely be missed in the office and in my life. It was a pleasure in know him and your family. I am so sorry for your huge lose and I wish all of you all the best! Angelo DiNicolantonio
