

Mr. Gary Kenneth Hill

February 12, 2015

May 24, 1939 to February 12, 2015

It is with deep sorrow that the family of Gary K. Hill announce his passing, in his 76th year. Gary, beloved husband of 55 years to Patricia Hill and loving & loved father of Robert (Bob) Hill and Denise Shea. Following a lengthy career with Consolidated Aviation at Pearson International Airport, Gary retired to "The Lake" to enjoy life's tranquil moments and many beautiful sunsets. In 2011, Gary was diagnosed with Alzheimer's and Parkinson's Diseases and had steadily declined since then. For that reason, there is a strong sense of relief mixed with the family's grief in that Gary is at peace, something that has been missing for him since his diagnosis. The family would like to thank the staff at Leisureworld Altimonte for the exceptional care given to Gary for the past two years. At Gary's request, there will be no service. He would prefer to be remembered as the loving, strong-willed man that he was before his terrible illnesses grabbed hold of him. Donations to the Alzheimer's Society Canada, Parkinson Society Canada, or Dying with Dignity Canada would be greatly appreciated. A life well-lived.
