

Mr. Genaro Ocampo

August 28, 2013

Dad, your battle is now over, no more tears flowing down your check, no more pain, no more suffering, now you are no longer weak. We still do not understand why this had to happen to you but we are proud to say you are our dad, the greatest man we ever knew. Although you will no longer be there to keep guiding us through life, when the time of need comes we know you will always be by our side with a smile. You were always there for us and never once made us cry, until the day you closed your eyes and had to say goodbye. Now you are our Angel, so spread your wings out wide please wrap them around us whenever you see us cry. Our time together was memorable and God took you way too fast. But the most precious thing to us was you been there for our first breath and us being there for your last. We love you and we will miss you!!
