I am deeply saddened to learn of Sean's passing. Though I didn't know him well, his love for Georgia-Mae was always evident in the conversations we had. Thinking of you in this difficult time.

“ Sean and I met during my first year of university. He was such an exuberant guy, full of enthusiasm and emotion. He loved all things Dungeons and Dragons, the society for creative anachronism and all things imaginative. Although we lost touch after that, I have always remembered him as a good and tender soul, and am very saddened to hear of his passing. My thoughts are with you as you mourn his loss.

“ *I was so saddened to hear of Sean's passing. It has been such a hard year for you all. I feel very blessed that I got to see Sean last May even under the sad circumstances of his dad Uncle Jim's death. It was nice to reconnect and chat after so many years. My prayers go to you all Aunt Doreen , George, Greg and Christina and Sean's family in Ontario. God bless ❤️*

“ *I used to ride the TTC with him in the morning when he was working in the west end, had many conversations about what we were reading, politics and he would tell me stories of his little Missy. He was a great guy and will be missed by all.*
