

Gerald Vaile

May 14, 2018

Gerald Steven Vaile (Jerry)

Jerry passed away peacefully on May 14, 2018, at Toronto General Hospital, following a brief illness and surgery. Beloved husband of Jill Vaile, and beloved and devoted father of Zachary Vaile and Alexander Vaile, dear brother of Margaret (David) Allen. Precious Grandpa Jerry of Alexis Vaile and Emma Vaile. Loving uncle of Jason and Justin and their families. Jerry was a like a brother to Harvey Fainer.

Sincere thanks to Jerry's special family of friends at Mount Sinai Hospital where he worked for many years. We are grateful for the wonderful and caring nursing staff in the Cardiac Care Unit of Mount Sinai Hospital and the devoted care in the Medical Surgical Intensive Care Unit of Toronto General Hospital. In lieu of flowers, please make donations to a charity of your choice. Loved by all-missed by many.

“ It’s been a month since you left this life, Gerald, and it’s sinking in more every day. So grateful to have you here with us, but obviously would rather have you in person rather than spirit. Still I feel you nearby. Lights going on and off, things moving inexplicably... It’s gonna be a tough Father’s Day for the kids and your upcoming bd too. Grateful I have our children to share your loss with. But it’s still hard. I reach for the phone to call you and then- stop. Got some beauty pix printed and more to come. I’m looking at you right now. I love you so much. 🌹

“ It's taken longer than expected to write this tribute to Mr. Vaile because I just cannot seem to put into words the kind of man he was, what he meant to me...so I will keep it sweet and simple, like him! Jerry was unlike anyone I've ever known, and those who knew him will know exactly what I mean. He was a kindred spirit, someone who met you once and you became part of his extended family for life. The last time I saw him it had been years but it was like no time had passed at all. He was not a perfect man but his imperfections were what made him perfect to those who loved him. His smile, so big but slightly crooked, a bit of mischief always on the cusp! A warm hug just because you needed it, even though you didn't know it yourself. A short quip or observation about the world around us to send us into hysterics...and he never asked for anything in return. Jerry was one of a kind and he will leave a legacy in his children who he was so proud of, his grandchildren who were the love of his life and his family of friends...we will keep Mr. Vaile alive in memory and spirit and let us all remember how generous and kind he was by living in that spirit as well... Jerry made the world a better place, and I am fortunate to have been part of even a small part of his journey with us. Until we meet again Mr. Vaile.

“ My uncle Jerry...

He was a free spirit with a big heart who lived life on his own terms. A rabid HNL hockey fan, especially for the hometown leafs. A loving younger brother to my mom, who cared for him deeply, and fellow sports fan along with my younger brother. Our 7 year old son's face always lit up when Jerry was over at family gatherings and celebrations. He was a big part of our extended family and a loyal member of the "clean plate club" at family dinners. Jerry was easy to talk to and always had time to listen to what I had to say about this or that. He loved to see pictures of our son enjoying sporting activities, and always had new pictures of his grandkids to share. It's clear from all the posts on his tribute wall, that he had many close friends and he made a lasting impression on everyone he regularly interacted with. My last time talking with Jerry was right before he went in for his surgery. He faced his sudden medical challenges with grit and a positive attitude and I told him that we were all pulling for him and sending positive vibes his way. He said he felt the positive energy that we were sending him and he hoped to see us soon.....To the Vaile family - Jill, Alex, the girls and Zach - he will always be in our hearts and in our thoughts and his spirit lives on in his family and close circle of friends. I was honoured to have known you and to call you Uncle....

rest In peace, Jer.,

we miss you...

“ *Sincerest condolences to all of the members of Jerry's. I have worked with Jerry for over 8 years at Mount Sinai Hospital (MSH). I am going to miss his warm smile and dedication to our patients. Each weekend that I work with Jerry he would ask, "so how is that little girl of yours doing?", referring to my 2 year old daughter Isabella. On many occasions Jerry would tell me about his 2 granddaughters that he is very fond of. The weekends at MSH will not be the same without you Jerry! May your soul rest in peace.*

“ THERE ARE NO WORD THAT CAN EXPRESS HOW SORRY WE ARE TO HEAR ABOUT THE SUDDEN DEATH OF JERRY. DURING THIS DIFFICULT MOMENTS, OUR THOUGHTS AND PRAYERS ARE WITH SISTER-MARGARET, WITH WIFE-JILL WITH SON-ALEX AND GRANDDAUGHTERS-ALEXIS AND EMMA AND ALSO WITH BROTHER-IN-LAW, OTHER RELATIVES, FRIENDS AND COLLAGUES OF JERRY.

I WORKED WITH YOU JERRY FOR MANY YEARS IN EMERGENCY/XRAY ROOM. YOU WERE THERE FOR ME, FOR OTHERS AND MOST IMPORTANTLY FOR THE PATIENTS. YOU WERE INTEGRAL PART OF THE MEDICAL TEAM. WHEN YOU BROUGHT THE PATIENT INTO THE X-RAY ROOM YOU ALWAYS WANTED TO MAKE SURE IT IS THE RIGHT PATIENT FOR THE RIGHT PROCEDURE. YOU WERE THE ONE I WOULD COUNT ON YOU EVERY SINGLE TIME. YOU WOULD ALWAYS HELP ME LIFT AND TRASFER THE PATIENT TO THE XRAY TABLE WITHOUT HESITATIONS. YOU GOT SO GOOD WITH THAT THAT YOU WOULD ALSO POSTITON MY PATIENTS FOR THE XRAY. YOU ANTICIPATED WHICH XRAY I WAS ABOUT TO DO NEXT. YOU WERE EVEN ABLE TO JUDGE THE QUALITY OF IMAGES TAKEN.

STILL WAITING FOR YOU TO GET YOUR X-RAY TECHNOLOGIST DEGREE AND COME TO ASSIST US AT MOUNT SINAI HOSPITAL. JERRY YOU WILL BE HIRED ON THE SPOT. YOUR RESUME LOOKS GOOD. THEN WE WOULD WORK BUT ALSO JOKE AROUND. YOU HAD A GOOD SENSE OF HUMOR. YOU WOULD LIFT UP MY SPIRIT AND OTHERS WHEN YOU WERE THERE. YOU WERE THE TYPE OF GUY WHO WOULD LIT UP THE ROOM WITH YOUR CONVERSATIONS AND JOCKES.

JERRY YOU NOT ONLY HELPED US WITH TRANSFERING AND POSITIONING THE PATIENTS FOR X-RAY BUT YOU ALSO ATTENDED TO THEIR NEEDS WHEN THEY NEEDED HELP. YOU ANTICIPATED WHEN THEY WERE GETTING SICK AND/OR WERE FAINTING OR RISK OF FALLS. YOU PROVIDED A WARM BLANKET TO THE ONES SHIVERING OF COLD, A KIDNEY

BASIN TO SOMONE GETTING SICK, WHEELCHAIR TO SOMEONE DISABLEED AND GAVE INSTRUCTIONS AND DIRECTIONS TO THE ELDERLY.

YOU WENT BEYOND PATIENT'S PHYSICAL NEEDS. YOU WERE ABLE TO UNDERSTAND THEIR EMOTIONAL AND SPIRITUAL NEEDS. YOU PROVIDED COMPASSION FOR THE ILL, TRIED TO CALM DOWN THE ONES AGITATED AND YOU UNDERSTOOD THEIR WORLD, WALKED IN THEIR SHOES AND TRIED TO SHARE THEIR STRUGLES.

JERRY, YOU ALWAYS CARRIED A SMILE IN YOUR FACE. AND THAT SMILE WAS CONTAGIOUS. YOU TREATED EVERYONE WITH RESPECT AND DIGNITY FROM PHYSICIANS TO MANAGERS, FROM COLLAGUES TO COWORKERS AND TO NOT SO FORTUNATE ONES. AND THAT'S WHAT MADE YOU WHO YOU WERE AND GAIN THE RESPECT OF EVERYONE WHO KNEW YOU. AND THAT'S WHY YOU WILL BE MISSED BY EVERY ONE.

WHEN YOU FELL SICK YOU TOLD ME THAT "THE NURSES AND DOCTORS AT MOUNT SINAI HOSPITAL ARE TREATING ME LIKE A KING". WELL JERRY YOU DESERVED TO BE TREATED LIKE A KING. BECAUSE YOU TREATED THE OTHERS WITH RESPECT AND IT WAS YOUR TURN TO START TO GET THE RESPECT BACK FROM THE OTHERS.

IN 2015 I BECAME SICK AND WAS HOSPITALIZED FOR MANY DAYS. YOU WOULD ALWAYS KEEP IN TOUCH WITH ME AND TEXT ME AND MADE SURE I WAS GONNA BE OK AND I WILL RETURN TO WORK AS SOON AS POSSIBLE. WELL, WHEN YOU FELL SICK IN APRIL WE KEPT IN TOUCH IN DAILY BASES. I VISITED YOU IN THE HOSPITAL AND WE EXCHANGED TEXTS IN DAILY BASES. UNTIL THE DAY OF THE SURGERY. WHEN YOU STOPPED TEXTING ME. THEN I KNEW THAT SOMETHING DID NOT GO AS PREDICTED. SO I RUSHED TO TORONTO GENERAL HOSPITAL. AND I TALKED TO YOU FROM A SMALL DISTANCE. BUT YOU COULD NOT OPEN YOUR EYES. MAYBE YOU COULD HEAR ME. WHO KNOWS? HUMAN BRAIN IS LIKE A BLACK BOX. COMPLEX. TOO EVOLVED. NOT SO WELL UNDERSTOOD. WAITED FOR YOU TO SAY SOMETHING BUT

*YOU DIDN'T.
JERRY, YOU LOVED SO MUCH WORKING AT MOUNT SINAI
HOSPITAL. YOU ARE NOT PHYSICALLY HERE ANYMORE BUT
YOU WILL DEFFINITLEY BE MISSED BY MANY AROUND HERE.
WE PROMISE WILL CARRY YOU LEGACY FOR YOU AND WE
WILL BRING PATIENT CARE AND SERVICE TO A HIGHER
LEVEL.*

JERRY MAY YOU REST IN PEACE.

“ Jerry was a dear work colleague and friend. I always looked forward to his weekend hugs in the ER and infectious smile. I visited Gerry several times while he was a patient at Mount Sinai, and was in fact working the day he became ill at work. He had such a positive attitude and new lust for life, it pained me greatly to hear of his passing. He will be greatly missed by so many. To his grand kids and sons, your Grandpa Gerry and dad loved you very much, he talked about you all the time, with a beaming smile on his face. Rest in peace Gerry, we love you xoxox

“ *My deepest condolences to all of Jerry's family and friends.*

Well, the shock of it all still remains. I just worked my first weekend without Jerry, and its not the same. As cliché as this may sound, there is not enough words to capture the life and spirit of Jerry. Jerry was my friend who was funny, blunt, unapologetic, smart, caring, engaging, but at times could be surly, and feisty, which for the most part was all done in jest. However, the sum of all those parts made a wonderful and remarkable human being. Jerry and I bantered often, as well as had some philosophical and the not so philosophical conversations (if you know what I mean). As much as he is no longer physically here, I will always have those memories that celebrate his life and his spirit. They say, "friendship isn't about who you've known the longest, it's about who walked in to your life." So, undoubtedly, it has been more than a pleasure having Jerry walk into my life - its been an honour.

Jerry, you are profoundly missed. Rest in peace.

Very hard worker, kindest person you can ever meet, he always cared about putting patients first. He was someone you can count on every single weekend he worked. I remember I always use to ask Jerry to take off his yellow gown he use to wear in the hospital, he always asked why do you always bother me all the time about the yellow gown, I said to him because your the only one I see wearing it in our department, him and I got a kick every time I bring it up to him. “ I'll never forget the first time I met Jerry, he had a black leather jacket on and had a lot personality. He seemed liked a really cool guy. As the years went by that proved even more true. I had the opportunity to spend quite a bit of time with him and always had a blast. You could always count on him for a good time. Type of guy that lit up a room. We shared a passion for sports and watched many games together. He would always school me up on hockey, being the mega fan he was. The happiest I ever saw him was when he was spending time with Alex and the girls. I know he loved being a dad and grandpa. I could tell how proud of them he was, always made we wish someone felt that way about me. He always treated me as a friend and was fun to be around. I know he will be missed by many but especially my best friend, his son, Alex, his other son Zack, partner Jill and grandkids Emma and Lexi. I know he is now at peace watching over them all. He's probably watching the NHL playoffs and having a blast. I gotta feeling the Leafs gonna have a great season next year. We lost a good when when we lost Jerry. He will live on in all our memories. RIP.

“ The first time I met Jerry: I was standing outside Sinai smoking on break. Jerry walking into the building looks at me and mumbles something. I'm like “excuse me” He said something in Hebrew which translate into beautiful doll. 😍 Jerry charmed his way into my life that day and became family. My family and I have so many great memories. Jerry is truly an amazing human. To my love Jerry: Thank you a million times! I love you! I miss you deeply! Till we meet again Jerbear ❤️

“*Mr. Jerry I can't believe you are no longer here with us . You were such a wonderful, funny , compassion and loving person . The few times I got to work weekends and we were on break with the rest of the boys(mikey and jimmy) it was like watching a comedy show as you boys would pick on each other as you guys were stuffing yourselves with Chinese food that you guys ate every weekend lol. On my way to work when I come down bathurst and when I pass your street I get emotional and start remembering the few times that I drove you home and we would laugh and you would talk about how much u loved your granddaughters and family and of course your favourite the Toronto maple leafs .i know your resting in eternal peace and probably reading all our memories and telling us to stop cuz you r blushing with everything that your friends and family are saying but everything we say is the truth you are a very special person and I was lucky to have known you all 15 years (around there approx lol) so my friend Rest In Peace you will be deeply missed and you will always be remembered . “ It is difficult to find the right words to describe Jerry. He was funny, frustrating, loyal, kind and most of all he was lovable and cuddly. I was fortunate enough to have the pleasure to experience all of these with him. He was probably the only person that was able to make me laugh under any circumstance. I will, and do, miss him terribly.

It was a great pleasure to have you in my life Mr. Vaile. You will always have a very special place in my heart. With all my love - rest in peace.

“ Jerry, Jerry, Jer Bear! Oh how I can't believe you are no longer here with us. Everyday I think that it's not true and after a few moments I realize that you are gone. You may not physically be here on this earth with us anymore, but you definitely are here in spirit. I can still hear your voice in my head saying "Hey Sher bear" and me saying "Hey Jer bear", we always enjoyed poking fun at our rhyming names. I can tell you one thing, Friday morning I would receive a text from you saying Good Weekend Sher and the conversations would start from there. Today is Friday and no text, so the reality has sunk in. The memories of 16N onwards will live on forever, the memories of us sharing conversations about our beautiful children, your sweet grand-daughters (Emma and Alexis) who I had the pleasure to watch grow through your updates & photos every so often and the talk of my little grandson who you had the pleasure to say "hey Buddy" to on WhatsApp video chat (recently), the smile on your face when you saw him was priceless. You said now it's your turn to talk about your grandson :-) I'm truly and deeply going to miss you Jer Bear! Until we meet again.
Lots of Love Always and Forever
Rest In Eternal Peace

“ I worked a lot of weekends at Mount Sinai over the years. Jerry was always there with a smile. He had a wonderful way of being friendly with patients. At a time when there were scared of being in the hospital, he made them feel as if everything would be alright, even if it wasn't. That was his gift to patients and families. As a lifelong Leafs fan, he and I bonded over our half century of frustration. He loved the young Leafs, and was excited that finally, we had a good team to root for. If and when the Leafs hoist the Stanley Cup, I'll be looking skyward at Jerry, and saying, "See? We did it!" Sinai on weekends will not be the same without his sunny presence.

Jill E Vaile - May 20, 2018 at 10:23 PM

“ It is with profound sadness and a heavy heart that I am saying goodbye to my favourite and only brother Jerry who shared my life for 66 years. Jerry was our mother's favourite child with white blond hair and a sunny disposition. Her last words to me were "look after your brother" which I have tried to honour my entire life. The past five weeks were a difficult struggle in Jerry's journey. He was so fortunate to have been working at Mount Sinai Hospital on the day he had his heart attack. He was admitted to the CCU where his special family of friends could come to visit him daily. He knew that he had a serious situation and that open heart surgery was his only option that would offer him the chance to go to California to visit his son Alex and his cherished granddaughters.

Jerry was hopeful going into his surgery even though he was scared, and we said goodbye to each other on the phone early that morning. He underwent 10 hours of very extensive surgery with major complications on May 4th and was considered to be critically ill. Unfortunately his heart function was too weak and he was unable to recover.

Jerry had the most wonderful nursing care in the Medical Surgical Intensive Care Unit at Toronto General Hospital, and I was reassured that he was kept comfortable throughout his care. After meeting with Jerry's medical team on Monday, May 14th with son Zachary present and with Jill and Alex in on the conference call from California, it was determined that nothing further could be done for him. We knew that Jerry didn't want to live incapacitated and we respected his wishes. It was with great love that we decided to let Jerry end his life's journey, and he passed away peacefully later that evening. I take comfort in knowing that I tried to do my best for my brother, with the encouragement and support of Jerry's best friend Harvey, my sons Jason and Justin and their young families who loved their Uncle Jerry, and my dear husband David.

I miss you Jerry. Rest in peace.

*Love as always,
Your sister, Margaret*

“ For 50 years through thick and thin, ups and downs, tears and laughter, joy and pain, hope and despair, we have shared our lives.

You held my deepest darkest secrets, my heart, my love. We were there for each other through the best and the worst, together and apart, and now, you are gone from this life.

Gerald, you've taken a part of me with you, yet left me the most precious gifts of our love: our children and grandchildren. Our legacy will endure.

Forever and always I will cherish our hearts. You will always be with me and I will tell our story with love and hope, and tears, no doubt. But you will live on through the children.

Now I see you on the couch, with Pop and Uncle Ed, and Liz, 24/7 sports, and laughter....try not to fight over the remote.

Forever and always, I love you.
