“ I don't know for sure if this is the Glen Hamilton Corcoran that I knew and if it is I am extremely sad to hear of his passing. If it is Glen who lived in Mississauga I would like someone to contact me and confirm. My name is Bonnie McKee (now Lachance) and I loved Glen for many years and always will. I met Glen in 1978 and we were very close until 2000 when he closed me out of his life due to his struggles. We spent much time together and he was a kind and loving man who will always be in my heart and thoughts. He always cared deeply for his family and friends and felt the weight of the world on his shoulders. Glen was the man that I wanted to marry and share my life with and I miss him every day. I am so sad to find out that he is no longer with us, however I know that he is happier in heaven and I look forward to the day that I will see him again. If someone reads this I would appreciate hearing from you, my ph. # is 705-685-1298.
