My Aunt, Sister Gloria Heineman was one of the most spiritual and life inspiring people that I have ever had the good fortune to be around, a more loving and grounded person who never pulled punches but gave each person exactly what they needed to arm them for the world! We will always love you and thank you for your life!

“ *My Aunt Gloria was such a loving and kind person. I will miss her greatly. She influenced my life more than she'll ever know. She was my mother's sister and I remember Mom speaking so highly her. We didn't get to spend much time with Aunt Gloria due to geography, but when we did it was always such a calming visit. Although, Aunt Gloria did love to laugh and had such a wonderful sense of humor. I'm giggling thinking of our semi family reunion at a lake house outside of Toronto and some of the funny exchanges she had with her sisters. I know Gloria's gone home to rest eternally, and is being reunited with loved ones. Go with God Aunt Gloria. Rest in Peace.*
