

Gloria Jean Ruth Nobert

December 28, 2021

Gloria Jean Ruth Nobert - in her 82nd year.

She was sassy, generous, outspoken, glamorous, and beautiful. She could shop like no other, and never took no for an answer. She travelled the world, met famous celebrities, and loved a good “conversation piece”. She lived for diamonds, glitter, and expensive high-end accessories, but also loved a good dollar store haul. Would she run someone down with her scooter at the mall? Possibly. Would she fill a room with her charismatic personality? Absolutely. It is with deep sadness and heavy hearts that we announce the passing of Gloria on December 28th 2021. Gloria will be missed by her husband of 62 years, John Nobert. Her children; John (Jackie) , Sherri (Steve) and Chris (Moyra). Her grandchildren; Amanda (Daniele) Cameron, Sarah (Kyle) Cari (Alexander) Kristie (Jason) and Karlie (Jack). Her great grandchildren; Adelynn, Antonio and Luca.

John once said “my life would have gone a very different way if I hadn’t met Gloria”. John and Gloria loved to give each other a hard time, but could be found flirting again just as quickly. They loved their walks in the park to feed their animals, and trips to the mall where John took on the important role of the Shopping Bag Holder (which he did with little to no complaints at all). They loved each other endlessly, and fiercely. Gloria will be fondly remembered by many friends and by many family members.

We will miss this over-the-top, fabulous woman and we'll remember her every time we catch a glimmer of something sparkly.

A celebration picnic is planned for the spring in Sunnybrook Park at Gloria and John's favourite spot by the bird feeders. Be sure to wear your best sparkly shoes. BYOB (bring your own bird feed)

“ So very sorry to hear about Gloria, who was larger than life and unapologetically herself at any given moment - something near and dear to my own heart. She loved her family deeply and took great pride and pleasure in their happiness - much of that due to her kindness. She will be greatly missed by all of us whose lives she touched and will never be forgotten. Our thoughts and prayers are with you all at this very painful and sad time.

Thinking of you with lots of love, Bev & Paul Pedersen.

“ That is exactly as I remember G!oria, a sparkly personality inside and out!
I fondly think of her attending many of the Doggone Wonderful town festivities with John. She would hand out treats during the street festivals to all passerbys. It was hard to keep up with her at times with that scooter!

Shine on Gloria, your sparkle was infectious!

John and family, Teresa, Cathy, my deepest sympathy for your loss.

“ *Deepest condolences on the loss of your beautiful wife, Mother, Nanny and Gigi. Gloria sparkled and dazzled and loved her bling. She never silently slipped into a room but always made a grand entrance. She was full of life and love for her family and will be dearly missed. May prayers and the comfort of family and friends get you through this difficult time.*
The Johnson Family with love.
