“ I miss Glo alot. As a Boss and a girlfriend. As a boss, she was the boss and it didn't take long to find that out. As a person i learned alot from her and grateful she allowed me into her world. Gloria is very very missed at work and has been for a long time. The friend has left for now until we meet again. God must have really needed her to help clean up things up there and he got the best, sorry we loose on this one. Debbie xo

“ *Sharing my beautiful memories of Gloria, one of my Managers at Capital One Canada - Milner Location:*

A woman I so greatly admired for her strength of character, soft and caring personality, beautiful smile, judgment, knowledge, management skills, among so many, many other attributes!

A woman I always looked up to, and many, many times, the first person I reached out to whenever I had a query/issue. She was never my direct manager but always the first person I reached out, on so many occasions (work-related or otherwise).

She was always quick to respond and follow up (whether she had an immediate answer or had to seek one for me). She was never too busy to speak with me, or to share her time - always available at any time of day!

I'm so very grateful to have had the opportunity to personally thank her (and recommend her for many awards) so many, many times, over the course of the years we shared working together.

She was always bashful whenever I expressed my thanks to her (or complimented her) and I remember saying to her: We must always tell someone how we feel about them, for that day may come when we won't have the opportunity to do in person!

Gloria, I will truly miss you from the bottom of my heart, but I do know you are in a better place - at peace and at rest!

God called you be an Angel at his side, after sharing your beautiful life here on earth with us.

One last time - Thank you for being a part of my life!

Rest in Peace, Glo!
