

Goldwyn Lionel Jerome Mathias

April 7, 2021

With great sadness, we announce the passing of Goldwyn Mathias, age 84, who passed away on Wednesday April 7th, 2021 at North York General Hospital. He will be deeply missed by his wife of 58 years, Cherrie Rita Mathias (nee Lopez), children Rochelle (Peter), Burl (Wendy) and Desirée, and grandchildren Jacob, Madison, Kyla and Lucas. He is also fondly remembered by his siblings Celine (Maxim), Evelyn (Valerian), Mervyn (Isabelle), Edwin, Ilene "Shanti" (Brian), and Oswin (Deborah). Goldwyn was preceded in death by his son Pierre.

Born July 2nd, 1936, in Karachi, British India, son of Cyprian and Hilda Mathias (nee Gonsalves), Goldwyn always had an incredible zest for life and a big heart. During his youth, he was an active member of St. Patrick's Cathedral boys' choir, an avid boy scout and bagpiper for the St. Patrick's High School band. In 1953, he left Karachi to pursue his desire to join the Merchant Navy in Bombay, then returned to continue his studies in Engineering. In 1955, while still in college, he showed a strong business inclination and began a business in manufacturing plastics. Later, he manufactured steel office furniture which he sold to the English company Roneo Vickers. In 1974, he migrated to Canada with his wife and 4 children and resided in Toronto. He continued his entrepreneurial spirit and started up a successful office products company, Cherrigold Limited, which sold product to the Canadian government. Determined, hard-working, and compassionate,

Goldwyn had a strong love for business, politics and technology, and nothing made him happier than a lively debate on CNN, a visit to the Apple store or a cold beer on a hot summer day with his wife on the front porch. A funeral mass and memorial service will be announced at a later date. As an expression of sympathy and in lieu of flowers, donations may be made to the Canadian Heart & Stroke Foundation.

“ Dearest Cherrie, Burl, Rochelle & Desiree,

We will always remember Goldwyn as the kindest, most caring man, always smiling with easy and genuine good humor.

When we visited Canada for a holiday some 25 years ago with three young kids, he drove all the way from Scarborough to Mississauga where we were, took us all to the Toronto Science Center, then after a fun-filled day, dropped us back at Mississauga, and then drove back alone to Scarborough. The long drive back and forth, back and forth, didn't seem to bother him. He was full of joy and energy. That really opened our hearts to him and endeared us to him big time!

*'You can shed tears that he is gone
OR you can smile because he has lived.*

*Your heart can be empty because you can't see him
OR you can be full of the love you all shared."*

Our deepest condolences to you all, also to Peter, Wendy, Jacob, Lucas, Madison & Kyla.

Love and hugs from Susie, Victor (Pereira) and family.

“ Dearest Cherie, Burl, Rochelle & Desiree,

Congratulations on the beautiful send-off you had for your dear dad.

Charles & I extend our deepest condolences on the passing of your dear husband and father. Goldwyn was a good friend and an extremely kind and generous person. He loved to make merry and enjoyed discussing various wines and listening to oldies music.

Charles & I will remember Goldwyn forever. It was on a trip to the Holy Land. While on a side trip to the Dead Sea Goldwyn loaned us his costly camera to capture a few memories. On our way back to the hotel we discovered the camera was missing. I was so, so upset and wanted to die, I didn't know how to break the news to Goldwyn. First of all I prayed to St. Anthony and then went and stood in front of Goldwyn. He looked at my face and immediately sensed that something was wrong. Well I had to tell him the dreadful news. Without batting an eye, all he said was "it's only a camera, I can buy another one, I'm feeling sad you have lost all your pictures." Wow, how gracious could anyone be. A few minutes later the bus driver got a call on his phone asking if anyone on our bus had lost a camera. That was truly an act of God's blessing being poured on Goldwyn. Amid the thousands of tourists and crowded Dead Sea beach Goldwyn's camera was found and returned. That dear Cherie and kids is how we shall always remember Goldwyn with his heart of pure gold. May God grant him eternal peace and may God bless you, Cherie, and each and everyone in Goldwyn's and your family.

“ My dear aunty Cherie, my cousins and family that follow, uncle Goldwyn's spirit and his love of life are the things that I loved to witness every time I got to see him. He made me smile, laugh, think and helped me see that there's always a way to achieve a goal, whether small or big. His love of food really rang with me, being a foodie myself ;always a culinary adventure. Most of all I loved his attitude towards life and the people who he loved! Its that spirit and light that opens up the world. That spirit opened up people's hearts. It was natural to him. It is this same spirit and love, I find in Burl, Rochelle & Desiree. They are Truly Kind and Caring. I will miss him and the light he brought, as will many. I hope to see you soon.
God bless you all and give you peace.
Love always.

“ Uncle Goldwyn always had a zest for life. When my cousins and I were kids I remember all our families going to the Chinese restaurant in China town for deep fried spicy crab he ventured too. This Mathias food gene at work all I remember is think how did he find this place it wasn't very big and not really very visible from the main road. The food though was amazing. This very thing is what describes Uncle Goldwyn, if he wants it he won't stop till he finds it, it has to be pleasurable for anyone he takes there and put a smile on your face. In later years I would go over many times to hang out with Pierre. Uncle Goldwyn would ask me all types of computer questions which I would answer and Pierre would say lets go we will be here all night answering his questions. When I started working in sales at Myron, after a month he told me quit your getting to comfortable there and go back to computers. My Mom his sister told him, he has a plan, which I did. When I became licensed as a nurse that same day I visit Uncle Goldwyn in the hospital he had a stroke. Still he was smiling, any pain the nurse asked him and he answered with no. When I visited him subsequently at home he was your a nurse now and I said yes, he started to ask me all types of questions. Then he said you chose a good line you will have always have work. Who new he would be write with this pandemic which followed. Uncle Goldwyn zest for life, optimism, thirst for knowledge and wanting his nieces and nephews to be successful in life. He will be missed by all of us and his joins my cousin/brother Pierre.

“ Dear Cherrie, Rochelle, Burl, Desiree & extended families.

Our deepest condolences on the passing on of Goldwyn. Robert knew him from the time as close neighbors and of his school days at St. Pat's back home. Our friendship continued in Canada as well.

We shall miss his humor, kindness and by the nick name he affectionately addressed Robert whenever we met. We had many happy times with Goldwyn & Cherrie and never failed to be together at the same table at every Canorient Christmas dance we attended. This is among the numerous happy memories that we will fondly cherish.

We pray that God will give you all the strength & courage to bear this great loss.

“ Dear Cherie and family,

I have know Goldwyn for most of my life - starting at Uncle Henry Mathias's house, where we used to get together with family and sing songs and have good times. So many warm memories!

I have worked with Goldwyn and found him to be loyal, loving, trustworthy and a good friend,

He was always up for an adventure and he loved to travel - the places he has been to would fill a book. He was well read and up to date on politics and world affairs ready to debate and discuss.

He was a man among men. A rare breed! I respected him for the caring person he was.

He will be truly missed. May his soul rest in the peace of the Lord.

“ *Dearest Cherie and Family,
Please accept my sympathy and sorrow on the recent passing of Goldwyn. A life long friend from the late 1940's, we sang in the Boys choir together. Some of the songs learnt were in Dutch and French and Goldwyn never forgot to get me to sing them with him when we met for a small party or function and even in Goa when we met a few years ago where he would join me at the Hotel Pool/Bar and we would serenade the Russian and British tourists with Bonsoir mes amis,, Ido Mine Ado Mine and others...We also were in the same class in school and matriculated together after which we went our separate ways.We caught up when we migrated to Canada and stayed as good friends ever since. A kind and gentle man, simple and with no airs, he was deeply religious. He will be missed. The recent years were tough on him but he bravely struggled on .May his soul rest in peace and may you and your family find comfort in the knowledge that he is now in a better place.

*The GOLDEN Chain of Friendship.
Friendship is a Golden chain,
The links are friends so dear,
And like a rare and precious jewel
It's treasured more each year...
It's clasped together firmly
with a love that's deep and true,
And it's rich with happy memories
And fond recollections too...
Time can't destroy it's beauty
For, as long as memory lives,
Years can't erase the pleasure
that the joy of friendship gives...
For friendship is a priceless gift
that can't be bought or sold,
But to have an understanding friend
is worth far more than gold
And, it's the GOLDEN CHAIN OF FRIENDSHIP
Is a strong and blessed tie
Binding kindred hearts
As the years go passing by.*

To me, a true friend is so rare and I compare the friendship between my husband and Goldwyn to the precious metal GOLD which also happens to be a part of GOLDwyn's name.

My husband, the late Harry Noronha, had a vast circle of friends which are nor so difficult to find. on the contrary, true friends are few and far between and precious too.

Goldwyn was one such friend who knew my husband way back in time from Karachi. He was so humble to admit that Harry was someone who help him a great deal to set up his plastic enterprise over there. For this , Goldwyn was forever grateful. Gratitude and humility are great attributes and Goldwyn possessed this in abundance.

I too had the good fortune to meet Goldwyn on two occasions in Bangalore and once more in Toronto.

I was deeply saddened to hear of his passing.

May his soul rest safely in the arms of Jesus.

Sending deep sympathy and love to dearest Cherry and to all Goldwyn's children along with their respective families.

Yours in grief

Elsie Noronha.

*Dear Cherie Desiree Rochelle and Burl
We were saddened to learn of the passing of our dear friend of long standing Goldwyn. We remember times spent at your home and times he visited us in California. Such a delightful happy generous and jovial soul who welcomed us with open arms whenever we came to Toronto. We will miss our Christmas time chats with him and you but will keep in touch.
God bless you his beloved family and May he Rest In Peace and happiness.*

Affectionate wishes Terence and Joanette
