

Mr. Gordon Wayne Cotter

January 2, 2017

COTTER, Gordon Wayne (1954-2017)

It is with great sadness that Gord's wife Nancy and sons Nathan, Nicolas, Mackenzie and Princess Moca announce his passing January 2- he has gone to his eternal home, fishing with brothers Glen (2006) and Casey (2012).

Gord is the cherished son of Carol and Gordon (1979), brother of Kelly (Vicky) and sisters Gail (Don) and Carol, much loved brother-in-law to Michelle (Ken), Shirley (Jim), Wayne (2014) (Anna), Mary (Chet), Carol (Mel) and Bill (Patricia).

Fondly nicknamed GORDO, he was loved by so many friends, our Spanish family in Oviedo and Madrid, OPG co-workers, nieces, nephews, extended family in the GTA as well as in Sault Ste. Marie and adored by Papa Trudeau (Marion 2008). As the welcoming Host of the COTTER INN his complementary pool boy service and BBQ chicken are sure to be missed.

A special memorial service to honour Gord will take place Sunday January 8th at 2 p.m. at Safe Haven Worship Centre on Brock Road S in Pickering, 1084 Salk Road, Unit 12, Pastor Matthew Porter officiating to be followed by a reception at Annandale Golf Club, Church Street South, Pickering. Online condolences can be shared at www.aftercare.org. In lieu of flowers, donations are appreciated by the family to the kidney foundation in honour of brother Casey, or to a charity that supports research and advanced treatment of small cell lung cancer.

“ *Nancy,*

On behalf of my family I would like to offer our condolences. In the brief time that I have known Gordo, I knew him to be someone whom I respected greatly for both his knowledge and life experience. I greatly looked forward to our discussions on the couch each time that I visited, with a smile on my face a guarantee as I'd walk away. I truly am at a loss for words, and hope you know that yourself and your family are in my prayers; be strong.

*Sincerely,
Aldo*

“Gord thank you for being there for me when my sister was sick with cancer. You were very helpful and knew quite a lot about what I was experiencing. I enjoyed your company every day and felt that you were a very uplifting positive person. Never a day that you were down and out but always positive. I retired from my job because I wanted to start living my life knowing that an unfortunate circumstance could happen to anyone of us. I spoke with you about that, I was very shocked to here about your passing..RIP Gord I will always have a special place in my heart for you.
