“ *I am heartbroken. 💔 To Gord's family, please accept my deepest condolences. He was a kind and gentle man taken way too soon. I have many great memories of Gord including his love of the guitar and song. On the rare occasion he and Gladys were able to drag me along camping, the highlights of these trips were sitting around the fire listening to Gord sing. And Gordon had the rare and wonderful gift of being able to make us smile, giggle or laugh when feeling down. He himself had such a great laugh which I can still hear; I hope I always will. May you RIP Gordon 🙏🕊️❤️*
