Gordon D. Milne (Gordy)
1955 - 2021

It is with heavy hearts and enormous sadness we announce the passing of Gordy Milne on June 30, 2021. Remembered with so much love by the love of his life, Maureen. Married for 30 years. Loved and adored by the Myers family, his extended family, cousins, friends, colleagues and neighbours from far and wide.

Born in Trois Rivières, raised in Montreal and Toronto. Predeceased by his parents, Madge and Ross, also his brothers, Sandy and David.

Gordy had a rich and varied career in the hospitality industry in Toronto. His past endeavours include The Fairmont Royal York, Pier 4 Storehouse and Restaurant, Harbour 60 and The Distillery District's Boiler House.

He was a warm, caring, compassionate man with the gift of storytelling and a passion for music, playing guitar and he would randomly break out in song through out his day. Gordy had the knack to engage with everyone in his presence. He brought people together. Gordy was the best friend we could ever wish for. Many hearts will forever be filled with love for you, Gordy.

A Celebration of Life will be announced at a later time. In lieu of flowers, a donation to the Princess Margaret Cancer Centre or a charity of your choice can be made.

“ My deepest sympathies to Maureen and the extended family for your loss. Gordy was a delight to know. Always playfully teasing everyone, he was a dear soul that looked for the best in everyone he met. He jokingly referred to Maureen and I as Lucy and Ethel from the “I Love Lucy” TV show, roaring with laughter when Moe and I would end up in an unfortunate comical situation. Gordy and I shared our love of music and guitar playing with one of our favourite artist being John Prine. Gordy took much joy in recalling how when he met John Prine, he asked him what “Lake Marie” was really about? Well I know that you are standing, standing by peaceful waters my friend..... Your legacy is eternal Gordy. Until we meet again Rosalind and Rob xo

“ I met Gord and Maureen quite a few years ago with Elaine. I was the newcomer in the group and both of them welcomed me with a warmth that made me feel like I had been a life long friend. Gord was always thoughtful and kind. He had a way about him that put others at ease. It was an honour to have the opportunity to meet him, get to know him and call him "friend". I wish that I could hear one more of his stories, share one more beer and a backyard barbeque, play the guitar and sing one more John Prine song with him. I miss my friend greatly.

“ On February 18, 1983 Maureen and I went to buy scalper tickets to see Neil Young at Maple Leaf Gardens. While trying to buy 2 tickets there was a fella wanting one ticket. After much discussion and the concert already starting the fella said come on ladies lets go. We went across the street to Larry's Hideaway. From that night forward Gordy became a part of Maureen's life and the Myers family. We will miss his guitar playing and story telling. Our hearts are broken.

“ Our hearts are broken! Gordy was larger than life!!! The Brown family adored him. Our brother from another mother. As what often happens as life goes on, get togethers become less common BUT when they happen, it's like no time has passed. We will miss you Gord. RIP brother. Mo, we are so very sorry for your loss. You are in our thoughts and prayers.
