

Grace Isobel Hankinson

August 31, 2024

Grace Isobel Hankinson (nee Campbell) passed away peacefully on August 31, 2024 after a brief illness in her 103rd year. She had been surrounded by loving family in her last few days.

Grace was predeceased by her husband Maurice Hankinson, her daughters-in-law Erma and Bern, her son-in-law Ken, parents John and Cassie Campbell and her brothers John and Donald Campbell. She is survived by her 5 children Robert, Wayne (Collette), Heather Robertson, Keith (Doug) and Barbara (Wayne), her daughter-in-law Kathy, 10 grandchildren, 13 great grandchildren, and many nieces and nephews.

Grace, a teacher, passed on her love of reading to all of her family. She remained keenly interested in current events, reading the Toronto Star daily and watching CBC The National nightly news. In recent years, Grace loved nothing more than a visit over a good cup of coffee and a Tim Horton's old fashioned plain donut. She will be missed by all who enjoyed her smile, wisdom and kindness.

In accordance with Grace's wishes there will be no public memorial service. Her ashes will be interred at the Purcell Cemetery, Wardsville, where she will be reunited with her husband Maurice and her many Campbell relatives.

We especially thank the staff at The Village of Taunton Mills, her home for the past 14 years, for their exceptional care and support.

“ I have many memories of Aunt Grace and Uncle Maurice and family on their visits to Grandma, Grandpa and Uncle John's farm. Always a very gracious lady. How fortunate you all were to have her in your life for so long.

“ We are honoured to have had grandma as part of our life. We will cherish our memories, from those recent with my girls, but also as a child growing up. I loved spending time with both her and grandpa in Port Sydney, wandering along the path to the falls while looking for berries to collect along the way. Later on, we would spend time in Alliston, catching up over dinner and a movie. In recent years, we've enjoyed our visits even more as she was always eager to hear all about my girls. They too were planning out their visits carefully, so they could show their favourite toys and drawings. Most often, grandma and I would sit back and have so many conversations, most often over a Tim's coffee and chocolate croissant. We will miss you dearly and hold you close to our hearts. All our love, Adelle, Hazel and Christine
