August 6, 2022

Aug 26 1928 to Aug 8 2022. Grace passed awake suddenly at Scarborough General Hospital with family present after a good long life in the Netherlands until 24, in Montreal until 36 and in Scarborough and Canal Lake area until almost 94. Loving mother to Lynda, Brian. David. Always remembered. Always in our hearts. Grace loved many things and people and always had a smile on her face for those she appreciated, A gardener, sewer, reader and crafts person her mind and hands were always working. She was cared for at Fieldstone Commons and Bendale Acres for the last two years of her life. I enjoyed my life on earth and I will enjoy my life in heaven.
