“ Over the years while we worked in the Toronto AIM office, we had many opportunities to meet Grant who was always ready and waiting in the car for his wife, Sharon to close her books at the end of each day's work at the office, and take her home. This he did faithfully even when his health was already failing. We could also tell that he wanted her to ride in comfort and style when he would drive up with a fancy new model which he had purchased to meet his particular taste and specifications, as well as for their mutual enjoyment going on special road trips around Ontario or across the border. We know that Sharon was always there for Grant, attending to his needs right to the end.
We are never prepared for the loss of a loved one, but God is always prepared to help us through that loss, so our prayer for you and family members is that His Love will surround you and begin His healing in your heart and soul. And may happy memories help you make it through the times of pain and loneliness.
Our thoughts and prayers are with you, Sharon.

“ Dear Sharon, We were so saddened to hear of Grant's passing. We have so many fond memories of you and Grant at all the Boniface and Coleman family gatherings over the years. It wasn't a Christmas dinner without the Disleys arriving from Toronto, with stories from the big city. Thinking of you, love the Colemans.

“ We would like to send our heartfelt condolences to Sharon on the passing of Grant. Memories of Grant were short visits to our home in Okotoks, Alberta. I cannot ever remember Grant complaining about his health, he was always very positive. His incredible medical knowledge was very impressive, especially in the area of prescription drugs. When we talked on the phone, he was always interested in knowing what the price of fuel was in Alberta.
