“ I’ve really been struggling with what to say. Heather’s passing was such a shock. I feel so sad for all but especially Cheryl, Marie and Colin. Marie always talked (still talks) about her Gran and what an incredible role model, support, cheerleader and best friend she was. I had the same relationship with my Nana and I still miss her everyday. Cheryl did an amazing job raising Marie into the wonderful, talented, smart woman she is but Heather was always there too. Heather’s passing has already left such a huge void for all of them. May she rest in peace and may you all find comfort in the relationship and time you had with Heather. I know it’s not enough.....
If you need anything or just want to talk and share memories; we are there.
Love Always,
Deanna and Taryn
