“ Remember many late nights in Operations .. calling Helen to sort out a potential issue with Flex system .. only to have her speak to the floor supervisor to state.. "the line worker installed the incorrect package - can't they read? " Always correct, always to the point.. and that was what was needed.. The fun and the laughter at the plant was all centered around this lovely lady.. I miss those days.. Condolences.. I cannot find the words to express how sorry I was to hear this news - She will be missed by all that knew her.. as she has touched so many lives...

“ So sorry for the sudden loss of your Mom & Grandma. I knew of Helen from EDS but got to know her more recently at the EDS Retiree breakfasts. I enjoyed her bubbly sense of humour and hearing all about her recent travels. She will be dearly missed.

“ So sorry for your loss. Helen is a dear friend who I will miss dearly. I won't forget her bubbly personality and all the laughter we shared over the years. I hope the loving memory of your Mom will help fill the huge void you are feeling. I would like to attend the celebration on life on Sunday but unfortunately I will be out of the country at that time. My prayers and thoughts are with you during this difficult time.

“ So very sorry and shocked to hear of Helen's passing. I worked with Helen for many years and always found her cheerful and willing to help in any way that she could. We shared a lot of laughs and a few tears over the years, especially when she lost the love of her life Boysie. Our deepest sympathies to your family Helen. You will be missed.
