“ June (Mom) was a caring, loving woman. She loved her children and grandchildren a lot and myself as a daughter in law. We had many great times together and have made many memories together. She is greatly missed and will forever be in our hearts.

“ Mum there are no words to even explain how much I miss you.
*Everything seems different and I have this empty feeling inside.
I am glad you are free of pain and I know you will always be with us.
None of us were ready for this and not a day goes by that I don't
wish I could talk to you just once more.
I love you today, tomorrow and forever* 💜

“ June (known as Nana to me) was an incredible person. Very strong willed and passionate. And she loved her children my mom Nicole and my Uncle Dave very much and they loved her just as much. The world feels different now that she's gone but I know she will always be here watching over us. I hope she has found peace and I know she's looking down smiling at us. Love you always and forever Nana ❤️

“ We did not know Helen, however, we have known her children Nicole & Dave Ross for 20 years. You couldn't ask for nicer or caring people like Nicole & Dave. I have know her daughter Amber since she was just a wee one. Our deepest condolences on the passing of their mother Helen. Nicole & Dave took really good care of her and loved her very very much. Helen was a wonderful and loving Nana to all of her grandchildren, Amber, Jayden & Layla. May she rest in everlasting peace! Love Carrie & Kerry Fellows, our 3 sons and Darlene.
