

Mrs. Helga Streicher

February 10, 2016

With much love and sorrow, we said goodbye to Helga on Wednesday February 10, 2015 after a long struggle to recuperate from the ruptured aneurysm she suffered in July 2015.

We, her daughters and granddaughter, remember Helga as our mom and Oma, and as Oma Loma, her nickname over the last few years. Her ability to drive us crazy with her antics and her multiyear addiction to the Shopping Channel kept us busy and made every day more than interesting. We hope your own memories of Helga help comfort you during this very sad time. A small memorial will be held at a later date, details will be sent out at that time.

“ I am so sorry for your loss. I think of your Mom often and the funny things we did at Gabriel. I did not know of her passing....she was always a classy lady.(The shopping channel must also feel the loss)
