Herman Carol Miller, 70, of Mississauga, Ontario, passed away unexpectedly of natural causes while attending to his pet on November 1st, 2021.

Herman dreamed of becoming a high school physical education teacher until he was blessed with news that he was going to become a father. Herman put his education on hold to raise his daughter and later he re-schooled to become a millwright, at which he worked for over 30+ years.

In his spare time he would devote his love and affection upon his pets as he was an avid animal lover. He also enjoyed fishing in all seasons, playing

hockey, softball and tennis, and spending time with his family. He was a big personality in a petite man's body of 5'6". He made a lasting impression of himself on everyone he met and he chose to live life rather than exist in a life. Go big or go home!

His favorite saying was "love you more" and that was how he would end each conversation he had with his loved ones. He was 1 of 15 siblings from Fred and Jane Miller and he married Brenda Rose from Jack and Edith Rose and gained another 9 siblings. Herman and Brenda had only one daughter, me, Michelle Miller (Cooper) and eventually he became a grandfather of three grandchildren, Courtney and Chloe Peddle from Michael W. Peddle, and Chael Cooper from Jack R.L Cooper. He was lucky enough to become a great grandfather before his death to August, Bermudez from Chloe (Alejandro Bermudez).

Herman had specific requests in the event of his death that were honoured by his immediate family. A social event will be posted and held in the summer of 2022 for all people to come and share in celebrating his life in Herman's favorite style...BBQ in the park. Info will follow closer to summer.

As he loved animals so much, please make any donations to your local SPCA or animal shelter in his name.

Me and my family would like to thank you all for being a part in his journey of life. Whenever you hear a Shania Twain song please take a moment to think of my father and embrace the music, because we all know that he will be doing the same along with you, and in Heaven above. He will be loved and missed, but never forgotten. His ashes will ride in the wind over the NL waters to reach those near and far and dusted over nature's beautiful land.

We love you dad...

And I know...

You "love us more".

“ *Sorry to hear of Herman's passing. My thoughts and prayers surrounds his family today. I grew up with Herman shared the same school and church with him and his siblings a beautiful family. Herman was a handsome young man . Living in a small community we all played together .our activities building tents,soccer,ice skating, swimming in the ocean the list could go on because we had to make our own fun. Never saw him after he left home but always ask my sister-in-law Betty (Herman's sister) about him and how he was doing. God Bless you all has you mourn his lost.*

This one day he offered to teach me how to drive standard 🤗 every girl needs to know this he said!! He had a six gears in his speed racer I'd call it lol I will never forget his encouragement to always learn new things even if it makes you nervous, just give he'd say and don't be scared!!! I feel safe with you driving so should you!! God is very lucky to have him as an Angel! Until we meet again up in heaven Uncle Herman your memory will Live on in my heart 💜
