

Horace Logan

January 7, 2025

It is with a heavy heart that we announce the passing of Horace (Horby) Logan in Toronto on January 7, 2025 at the age of 91.

Born on June 3, 1933 he was the youngest of 5 siblings. Predeceased by his wife Jean and oldest son Mark (Helen), he will be missed by his 3 sons Peter (Angela), David and Adam (Sarah), 6 grand-children (Ryan, Kayla, Erin, Anna, Zoey and Jonas) and 4 great-grandchildren (Tyler, Carter, Wyatt and Cal), plus many nieces and nephews in Ontario and California.

Horby will be remembered for always enjoying his pipe, his passion for basketball, bowling, golf and of course his daily coffee and donut. He was also an avid card player. If you found yourself playing cards with him he would often tell you what cards were in your hand and which ones to play.

A graveside service is being planned for the family to take place in Niagara Falls in the Spring.

Anyone wishing to make a remembrance donation, with appreciation the family requests it be to an organization or cause of their choice.

Every time he came back to Ontario, he would come to my work and tell the front desk staff that "my favourite uncle was here to see me". I'd always come downstairs and give him a giant hug. I loved having him to my house to show him all the treasures I still have from his childhood home. I think he got a kick out of that. He had an incredible life and will be sadly missed by us all. Love and hugs to everyone who knew him who is grieving at this very difficult time.
