

Hubert William Wilson

May 8, 2020

Sept 16, 1936 – May 8, 2020)

With heavy heart we announce the passing of Hubert William Wilson, taken from us first by Alzheimer's and lastly by Covid 19. Loving husband to Elizabeth (Keighley), father to Alan (Deanna) and Julie (Mike,) and grandfather to Ryan (Brandie), Michael (Jacqui), Alanna (Chris), Hope, Sam, and Charlie. Born in Ayr, Scotland, Hubert immigrated to Canada in 1965 with his wife and young son to work with Pete, Marwick, Mitchell & Co. He never lost his love of his beloved Scotland. Always quick with a smile and a joke, Hubert easily found friends at the West Rouge Centennial Soccer Club and Deer Creek Golf Club. He genuinely loved his time in Myrtle Beach with family and friends. He adored his grandchildren and was always willing to drive to a soccer field, hockey rink or dance recital. He will be remembered for the way he put others at ease, his willingness to make fun of himself, his love of sports, his sweet tooth and above all his embodiment of "all things Scots". Thank you to the staff at Guildwood Extendicare for their compassionate care, especially in the last days when we could not be there. In lieu of flowers a donation to the Alzheimer's Society would be appreciated. A celebration of life will be held at a date in the future.

“ *A well-liked gentleman with an engaging personality and fiercely proud of his family and heritage.*

As a member of Ed's golfing buddies he played with an uncanny shot-making ability.

Elizabeth, your unfailing love and devotion during these past difficult years was a model admired by many at St.Andrew's.

May you, Elizabeth and your family, feel the love and comfort of God in the days ahead.
