“Dad, today marks an even four months since you've been gone...I swear...it seems like only yesterday that I got that dreadfully heartbreaking phone call. As you know...yesterday was my birthday. For the first time in my 47 years of life...I had to spend my birthday without you or mom here to share it with me. Fortunately, your grand daughter (amanda) came over to spend the day with me...we had a good day. Today, I came home from work and got to thinking. I listened to some old songs and the memories all came flooding back. Then, the tears began to flow. They just flowed and flowed....I cried so much that my chest began to hurt. Still, I cried until I couldn't cry anymore. I'm sorry dad. I'm sorry I wasn't there for you when you needed me the most. To comfort you....to hold your hand as you took your last breath before you entered the lord's arms. For eight years I tried to be there for you in every which way. I took care of you the best I could. Every day you spent in the hospital....I was there. I was there every night....and many mornings too. Yet, I somehow managed to miss your passing? I'm so sorry dad...so sorry for letting you die in that horrible hospital all by yourself...I'm not sure I'll ever be able to forgive myself. I just keep praying to our lord. Praying and hoping....it's all I can do. I love you dad....I'm sorry.

“ Dad, it has barely been two months since the lord took you into his home. The pain I felt when I lost you two months ago is as strong today as it was then. I feel so lost and alone without you. Dad, you were always so strong, I don't believe I ever saw you cry. Dad, why can't I stop crying?? Why can't I be as strong as you were?? Dad, if you can, please talk to our lord. Please ask him to give me the strength to carry on. I've been praying to him every night, asking him to take care of you and mom, and, I've been asking him to help me get through this. I don't know what else to say? I miss you dad....I'll never stop missing you and I'll never stop wishing we had more time together. Dad, I love you....now....more than ever.

“ Grandpa ❤️
It broke our hearts to lose you,
Just know you never went alone,
For a part of us went with you the day God took
you home.

*A million times we miss you , a million times we cry if it was love
that could have saved you ,you never would have died .*

*God saw you getting tired and a cure was not to be, so he put his
arms around you and whispered come to me.*

*With tearful eyes we watch you, and prayed for another day,
although we loved you dearly , we could my make you stay .*

*A golden heart stopped beating ,
Hard working hands at rest,
God broke our hearts to prove us ,
He only takes the best.*

*R.I.P grandpa I love you xoxoxo
Love always Nagypapa kislány*

“ Dad, I will never forget you and all that you've done for me. Through thick and thin you were always there for me. I remember how you would worry about me even when there was nothing to worry about. You always went out of your way to put me first and you would take my side even when I was wrong. Your dedication as my father and the love you gave me will always be cherished and deeply missed. You were a brave man who lived a hard life...I was always so proud of you and I still am. I hope and pray that you and mom are up there together looking down on me as you smile knowingly. I hope and pray that I can make you both proud of me. I hope and pray that we will all be together again someday. Rest in peace Apu...I love you!
