“ You called me three weeks prior to your passing, asking me to plan and organise my other siblings Carol, Gary, Jacky, Dawn, and pay you a visit, I went to Kansas to give my daughter's hand in marriage , only to receive a call from your son, to be told you passed away, what could I say, well, The Lord giveth and the Lord taketh away, Blessed be the Name of the Lord . I am so sorry it worked out that way, but it gave me the opportunity to get to know the rest of the family, and to meet Kim and Barry who i have not seen for a very long time and experience the kindness and generosity of Cuz, Wilma, David and Mathew Yeates in our time of need.

“ Dear Ingrid,

Thank you for being in my life. You always cared about family, and you helped me become the person I am today. Your lifestyle showed me that being a loving and caring person is the most important thing in the world! Thank you for being my cousin and my godmother, you were both a support, and an inspiration to me. I love you, Shushan.

The light shines in the darkness, and the darkness can never extinguish it. (John 1:5)

“Missing you so much grandma everyday. of my life. Every time I had a problem you were always there to listen and help me figure it out. You always went above and beyond for me. Words can't explain how much I love and miss you. Remembering the times you showed up to my track and field events with you cheering me on. My school plays, concerts and graduation you were always apart of. I am glad to have you as my grandma. Love you forever and always. God has you in a special place and I know your smiling down from above. Love from Aaron (your youngest grandson)

“ Where do I even begin? When I heard the news I started crying because it brought back so much memories that I have of you. It breaks my heart to hear that you've passed but you will always be remembered as my cousin with the happiest smile. Even though you're my cousin I look to you as a grandma to me. Since I was a baby you've been there for me. I will always remember your nice delicious meals that you cooked. I know you're watching down at me from up in heaven. I am going to miss you so much!

“ Where do I start? Grams I'm gonna miss you but I know you live on through me, my siblings and our whole family really. The way you cared for me is truly incredible, and I admire you a lot for that. Ever since I was little, I was always in your arms, you would take me to places and it would be just me and you and I cherish all those moments. All those gifts you bought me and etc. From the beginning of time you were always one to put others before yourself another reason on why I loved you so much. You're gone but not really if that makes sense? because I know you're always looking down at me with a smile on your face, and I'm gonna cherish all the good times we had as a family, and I'm happy you were here for us. I'm happy and grateful you were here to see me turn 20 and it sucks that it won't be like that no more but I know you wouldn't want to see me down all the time and crying. I'm grateful for what you did when you were here with us Grandma. - Love Anson

“ Everyday of our lives we have had our grandmother with us. We were so fortunate to have an incredible, loving, kind-hearted and inspirational personal like her in our lives. She was always there whenever we needed her no matter what the circumstances are. She gave us all the attention we'd ever need in life so we want to say thank you for that. Thank you for loving us our entire life. Even though you've passed and it does not feel right without you around you will never be forgotten.

Thanks for all the years I shared with you in La Brea. You were an excellent cook and caretaker. You loved for your sons with all your heart. Ms Ingrid had a quiet soul but a laughter that would ignite the room. She loved looking after children and was a mother to many. She made everyone in her company feel so welcome and ensured you had food to eat. My love for stew oxtail started with Ms Ingrid. Your love for the Lord carried you through in life. May he welcome you in his arms. Rest in Peace Miss Ingrid.

Ingrid, my big Sis God alone knows how you did it, you brought, joy to all who came under your roof, you were the perfect entertainer, no one left without being fed with some of your special dishes, whether it was soup, ox tail , barbeque chicken meat balls and spaghetti bread, cakes ,sweet bread, pone, lemon ade, you customised and made them your own with your unique taste like no other, then you showed and passed on all these skills to anyone who was willing to learn, so your spirit will live on in the hands of all who learned to cook because of you, the world is a better place because of you , we love you and we thank you. Rest now in the presence of your Lord and saviour.Amen
