We are grieving the loss of Jacquie - She was fun, and a vibrant member of our Committee until the ravages of her disease took her away from us.

“ *Jacque will be missed. She was an integral part of our friend network who was always ready to join in a gathering. I will remember her intense sharing of food details and advice on enjoying only the best! She was so knowledgeable about many things and never held back giving her input. She was a delightful person.*

“ I was very sad to hear of Jacqueline's death. She was a great lady and a wonderful person. I remember the Christmas her and Harold, along with Al and Cathy spent with my family - good friends, good food and a lot of laughs. I also remember a cross-border shopping with her, Georgie and Cathy. My thoughts are with her family. Rest in peace my dear.
