“ Dear Doug: I came to see you at Cummer Lodge six or eight times, during the past three years, with my friend E Hale, who has known you as a dear friend for dozens of years. From the very start, I felt I was visiting an old friend. (My name 'Cummer' purely coincidental). Your magnetism is unparalleled. Your smile, laughter, your humour at your own expense, your life-experiences - I soaked in like a sponge. You will be missed, 'Dougy!' - Cummer Chowdhury.

“ My condolences on the loss of Mr. James Douglas Bennett. I got to know him at Cummer Lodge. He had been president of the Residence Council which he enjoyed. He was very good at it. He will be sadly missed by his many friends at Cummer Lodge. Keeping you all in my thoughts and prayers.
