“ Our deepest condolences go out to you Leslie, Andy & Gracie. We have known your dad all our lives. Your mom & dad and our parents were together almost every weekend for as long as I can remember. They always had the best times together. So many fun and wonderful memories.
He will always be loved and remembered by us.

With love;
Bob, Chris & Duane Moll

“ *Deepest condolences to Leslie, Grace and Andrew. Your dad was one of our dad's best friend's. Our dad, Basil Coleman, knew Jim since they were teenagers and we grew up hearing wonderful stories that involved the both of them and a tight-knit group of buddies. We have fond memories of visiting your home when we were all young kids, playing in your yard and in the crawl space under your stairs in the basement. I remember your mom's big smile and wonderful laugh and both our dad's listening to jazz records all afternoon long. As I am a nurse, I also had the personal privilege of taking care of Jim during one of his hospital admissions in Oakville some years ago. I had forgotten how tall he was - how quiet and gracious and kindly. Our own father became quite ill shortly after that and my only contact with Jim since then has been by phone. Both my sister and I were deeply saddened to hear of his passing and hope that you and your family find peace in the sharing of fond memories. Where ever he is now, I'm sure there is some Glen Miller playing and he is sharing a rum and coke with Baz and Jake and Andy and the rest of the gang. God bless, Patricia Elsey and Stephanie Taggart.*
