“*Tonight I was thinking about Mr H and had Googled his name, only to find sad news. I had Mr H (sir) as a teacher in grade 9-10 starting back in 1987/88. Then again in parts of 89/90. I only have great memories of him and I'm sad to learn of is passing. Mr H was a great listener, a patient teacher, a role model and so much more. I thank him for being a part of my life even though it was a short time. May he rest in peace. My condolences to the Halowachuck family.*

“ Dear Holowachuk family, My name is Steve Plummer. Jim worked with me as a tennis coach-coordinator at North York Parks and Recreation -- I'm pretty sure for over ten years. I was a little shocked to hear about Jim. He is such a big strong, athletic looking guy. We grew to have a great working and friend relationship over the years. I was very disappointed when the Department phased out the tennis program. And Jim and I no longer worked together Jim attended my retirement gathering but I always remember that that gathering was a little too busy to chat at. So Jim called me and we had an individual get-together to reminisce and say good-bye. Just thinking about him now, I really miss him. I know you'll have lots of wonderful memories to think about when things settle down. He was a wonderful guy. God bless you and may you look forward to the day when you are reunited in heaven again, as it written in the 1 Thessalonians 4:16,17 in the holy Bible, "For the Lord Himself shall descend from heaven with a shout, with the voice of the arch angel and the trumpet of God; and the dead in Christ will rise first, and those who are alive and remain will be caught up together with them in the clouds to meet the Lord in the air and so shall we always be with the Lord. Therefore comfort one another with these words." What a wonderful promise from our Lord ! God bless you all, Steve and Wendy Plummer 902-882-2076, email: wwirsz@hotmail.com Prince Edward Island.

Dear Holowachuk family. I'm coming to this alittle late as I only just saw the article in the U of T Pursuit mag...In Memory. This man was a giant in my estimation, and an fabulous science teacher and coach. My father taught him at the U of T so he thought I was so lucky to have any athletic counsel from Mr. Holowachuk. He had this curious walk, always a smile and an encouraging word for we stressed out students. I know he will do good work in heaven as he did here in earth. I'm so sorry for your loss and my lateness

*Regards
Jan White*
