“ I met Donnie when we were young kids around in elementary school. Donnie's mother; Ms. Rebecca use to babysit me, do my hair & strongly encourage me to go to church with her & her sons. Cora is "on point" about Donnie's warm smile and just having a kind heart. A couple of years ago, myself & Tina J. were reuniting with Ms. Rebecca & Donnie's brother; Lavont & we wanted to see Donnie, but he didn't come to Alaska. I always looked upon Donnie & Lavont as brothers since we knew each other when we were knee high to a grass hopper. I'm so sorry for your loss & remember all of the memories you had with Donnie, they are treasures of the soul. Some things are worth so much more than money. Where Donnie, myself & Cora grew up it use to be a small community & everybody knew other & people looked out for one another, so I note Cora only because we all went to school together, elementary, Jr. High & in High school I went to another high school. So I knew James when he was "Donnie" & I was "PeeWee" that grew up to Tamara. Funny how when you are small you have nicknames & then have to introduce the world to your "legal given name". You have my deepest condolences & I know Donnie is flying high with the angels, because he was one.
