“ *My Sympathy to all of Jim's family. I have fond memories of Jim and I installing boilers in dirty old basements downtown. He was a highly skilled tradesman who treated his job with the City of Toronto as a plumbing inspector with great respect. I will always remember and be thankful for Jim teaching me many tricks of the trade.*

“ *My condolences to Linda and to all of the Smith family. Having worked with Jim for many years , I always appreciated the giving of his time and knowledge of his profession. He was most generous ,in his own way , and always willing to help when asked. Will miss him, gone to soon.*

Very sad to just hear of Jim's passing. I have many fond memories of Jim through work functions with my father Ron Smith, and many days at the Y playing racquetball together. If you see this Joe, drop me a line - 705-872-7303
