

James Wilson

December 28, 2019

June 18, 1940 - December 28, 2019

James will be missed and remembered by his very large family from far and wide across Canada from Regina, Saskatchewan; Montreal, Quebec; Toronto, Ontario and Fergus, Ontario to name a few.

The family would like to extend a great big thank you to the staff of the Reactivation Care Centre for the excellent care that was given to James.

As per James' wishes, it is to be a cremation only.
