“ Jane Kiteley - we met at Pickering High School, I lived in the village and she lived in Bay Ridges, we were in Grade 9 and we became friends immediately. Jane was a character, she was kind, caring, funny, stubborn and she was generous, sometimes to a fault. We were there for each other as our children were born, we worked together for several years and we laughed a lot when we were together. Jane had a great sense of humor so there was never a dull moment when you were in her company. We also had our ups and downs but the ups in our relationship will always outweigh the downs. It had been quite some time since I had seen Jane but we chatted by e-mail. I hope her journey was peaceful - I know she will be missed by all those who knew and loved her. Rest in Peace my friend.
