“ My sadness knows no bounds as I contemplate Jann's untimely death and its impact and implications for my brother Ron and on Jann's children. Jann was a vital, attractive, energetic, engaged person, loved and respected by all who knew her, the love of my brother's life. A light went out of the world on May 24th, a light that mattered, one that was needed. To say that she will be missed is an understatement. There is an expression in Spanish that goes, "Seremos los menores por su fallecimiento" - "We will be the lesser for her passing."

“ Our hearts are saddened by Jann's sudden death. I had the honor of having a wonderful lunch get-together with her in April and now I treasure those warm, special memories. Our hearts go out to Ron, Olivia, Hollis and all the other members of Jann's family. Her heart was as big as a hotel and she had room to love with passion all 2 legged and 4 legged ones who were in her life. Our thoughts and prayers are with all of you at this time. My heart was saddened when I learned of Jann's sudden passing. We have been neighbors for many years, her girls, Olivia and Hollis, used to come over and swim with my two boys when they were all much younger. There was rarely a day that I would not see Jann out for a walk with her dogs. She always brightened my day with her bright smile and a friendly hello. Jann will be truly missed. Condolences to all whose lives were touched by Jann's passing. Lisa Nedjelski, Russ Sedlesky, Zach and Nate Sedlesky

Jann loved life, people, and animals. She would light up a room when she walked in. May your happy memories give you comfort during this challenging time. Our thoughts and prayers are with you.

There were the three Amigos...Deannie, Anne and Jann....we grew up together, went to Harmony school, friday night ice skating at the 5 points, just hung out together. So many memories of our love for each other. I will miss Jann. My heart goes out to Hollis and Olivia, whom Jann adored. Jeannie Sharp-Kehl
