Jayne Elizabeth Howe (nee Warner)

January 13, 2022

It is with deep sadness that we say goodbye to Jayne (mom, moomi, GJ, Grandma Jayne). Jayne passed away at the young age of 68, at Bradford Valley Care Community, under the wonderful care of Patti and the staff in the Harvest House wing. She is predeceased by her mom Merle Warner, and her father Rothwell Warner. She is survived by her brother Douglas Warner, her daughter Erin-Jayne, her grandchildren Tyler-James, Rachel and Jessica. Her family would also like to extend a warm Thank You to her friend John Wilkes for all of his support.

Jayne's foremost passion was gardening and she could tell you the Latin name of any flower/plant. She also loved cooking, crewel embroidery and writing poetry. Jayne was well revered in the Business Continuity/Disaster Recovery community, and became the first female Fellow for BCI Canada. As part of her career, she was able to travel to different parts of the world, which she also really enjoyed.

She will be cremated, and a Celebration of Life will take place at a later time when the COVID restrictions allow.
