“ You were always a joy to be around. I will cherish our little visits when we lived in the same building. I called you Mom because I always felt like a daughter. Sleep with the Angel's Mom, I miss you. Love you always, Shari

“ *Mommy i know you are now resting without any pain, any heart issues, and loneliness.. your with family that you've lost, my Dad, Nana and Papa, your sisters and friends. Be joyous again, laugh and enjoy your after life. Please know that although we are forever sad and will always miss you, its a small relief knowing that you can breath fully.. love you forever and will enjoy our memories always*
