“ Dear Janet and Family, I was so sorry to hear about your loss. I lost track of Jeff many years ago. He was quite the character. My thoughts are with you at this sad time.

“ Jeff and I spent a lot of time in our teens talking the night away over coffee. We talked about our lives and things we wanted to do with our lives. We would laugh and joke for hours .We would loose track of time. Being Jeff's friend was easy.Jeff always had a smile and a sense of humor that would brighten my day. I'm proud to have called him my friend. You will be missed... the world has lost a kind soul. My condolences to his family may his memory carry you through this difficult time.

“ *I will always remember the fun times and may laughs we shared in our backyard growing up as children, when we would make tents out of blankets and slept in the backyard with our Saint Bernard. I will forever miss you. Janet XOXO*
