

Jeffrey William James

November 9, 2018

October 12, 1956 – November 9, 2018

It is with great sadness we announce the passing of Jeffrey William James November 9, 2018 at the Toronto General Hospital. Jeffrey passed away peacefully with friends and family by his side. Jeffrey was born in Hull Quebec on October 12, 1956. He was predeceased by his mother Dorthey James in December 1983. He is survived his father Bruce James (Dolores), his brothers Greg (Cindy), Steve (Tina), sisters Elizabeth James, Kim Lundy (Ted), Carolyne Phillips (Hans) and numerous nieces and nephews. He will be missed dearly by the many people he touched daily. That welcoming smile, the booming voice, those caring eyes, and the contagious amounts of enthusiasm he would bring to every conversation. Jeffrey always made you feel special. Jeffrey recently achieved a lifelong dream of completing writing of his play, "The Man That Got Away " , and watching his creation take the stage. In lieu of flowers, we ask that donations be made to the Toronto General & Western Hospital Foundation, in recognition of the support Jeffrey received in his last hours by

the amazing staff, nurses
and doctors. – THANK YOU.

“ *Marianne and I are still in total shock that we all lost a dear soul.*

Jeff was the most courteous concierge, successful play writer, a caring dog walker and a loving soul to everyone in Rosedale.

It is so hard to believe that we will not to see his big smile in the building anymore. He has left so many great memories with us that we will cherish forever.

Jeff, Rest In Peace. I am sure Kopol and Maloos give you the warmest welcome kisses.

Thank you for everything Jeff. Gone too soon, away too soon!

“ We moved here 3 years ago and Jeff became one of the 3 people who I would talk to. His peaceful eyes, his genuine smile, the beautiful way he talked and wrote! A true gifted man... his special way of dedicating his time to his precious babies... another gift. Animals don't lie, and they all love Jeff. We miss your positive energy, so hard to see you leaving us and coming into terms to letting you go. Still difficult to believe someone with so much life is physically gone. We will never forget you. You have touched our lives in many special ways which cannot be described. So grateful having you in our lives. Jeff once wrote me a thank you note: “A little thought and a little kindness are often worth more than a great deal of money. John Ruskin.” There are NO many people like you left on this earth.
RIP jEFF.
We miss you so much!!

“ I'm going to miss Jeffery, dearely he always made me feel better he took the time to ask how are you ? Always gave wonderful compliments called me "impeccable " each time made me smile. He loved walking Bob, nick named him "Boberoo". When Jeff, was in hospital Bob, started having accidents in condo I think signs he was missing Jeff, Bob, would wait every night right by the door so excited to go out with Jeff. Many times Jeff, would call me while out walking Bob, give me up dates so sweet we would laugh lots one time Jeff, said Bob, doesn't come when you call him takes a while I said Jeff, Bob, knows we let him get away with anything we are wraped around his finger. I never worried when Bob, was with Jeff, he was in the best care. So many great things were happening for Jeff, his live play in Pittsburg, his business was booming just bought his new car things were going great Jeff, was happy. I'm so blessed to have known Jeff, for 5 years I wish it was many more I have fond memories for the rest of my life I'm thankful for that will always cherish. I will always love you ! ❤️ Miss you ! 🤗 Big hugs and kisses 💋 what I would give to have one more day with Jeff , my heart is heavy and sad can't believe your gone ! Lots of love RIP Sincerely Jenny & Bob God Bless 🙏
