

Jeffrey Tingling

October 31, 2024

The Tingling family sadly reports the death of Jeff Tingling, after a brief illness.

Left behind to cherish his memory is his "soulmate" of 44 years, Stephanie, and his two loving children: Jessica (Hernando), and Jacob (Andrea).

Predeceased by his mother Icilda (1989), father Egbert (2005); and brothers Austin (1981) and Renny (2017), Jeff will be mourned by remaining siblings and in-laws in Canada and Europe; and their families.

Jeff will be missed by numerous uncles, aunts, cousins, and extended family members across the globe; and all who knew him will remember his quirky wit, quiet intelligence, and fundamental goodness.

An Englishman at his core, and a Stoic in his philosophy, Jeff subscribed to the principles of honesty and personal responsibility; and lived his life according to the values of hard work, respect for others, and love for family.

"The time of my departure has come. I have fought the good fight, I have finished the race, I have kept the faith." (Timothy 4: 7-8)

At Jeff's request, there will be no service. Details of a celebration of life will be

shared at a later date.

“ Jeff was an amazing person; so humble, and funny, with hair like a mad scientist :) I loved speaking with him about conspiracy theories, learning about his life and hearing stories from the past. I am sad he has passed.

My heartfelt condolence and warm hugs goes out to Steff, Jake, Jess, and all the other family, extended family, and friends during things difficult time. Please take care of yourselves and cherish each moment together. Sending warm hugs and love ❤️🤗
