

## Jennifer Lee Arundell

January 28, 2025

In Loving Memory of Jennifer Lee Arundell August 25, 1954 - January 28, 2025

It is with great sadness that we announce the passing of Jennifer Lee Arundell, a loving wife, mother, grandmother, sister, and friend.

Jennifer was born on August 25, 1954, to the late John and Phyllis Hill. She is survived by her loving husband of 33 years, John Arundell; her daughter, Starrlee (Matthew) DeGrace; her stepson, James (Jennifer) Arundell; her grandson, Timothy-Jack; and her brother, Bradley (Valerie) Hill.

Jennifer's passions in life were simple yet profound. She loved the magic of movies, the serenity of the water, and the connections she made through her online community.

But most of all, Jennifer loved to tell stories. Her endless tales, filled with 75 subplots and 32 tangents, had a way of making us laugh and creating memories that will last a lifetime.

Jennifer may be gone, but her memory will live on in our hearts. She will be deeply missed by all who loved her, but we take comfort in knowing she's at peace and reunited with her beloved parents.

Rest in peace, Jennifer. Your love, laughter, and legacy will never be forgotten.

In lieu of flowers, donations may be made to the Heart and Stroke Foundation of Canada.

“ I’ve known Jenn for 47 years, as the kid sister of her first husband. Jenn has always been very good to me, thoughtful, kind hearted and a confidant when needed. She stayed connected to our family dropping by for coffee with mom, chance meetings in town, holiday celebrations at Starrlee & Matt’s, or community events. We didn’t talk or see each other often, but our conversation picked up where it last left off with the start of a big hug. My last hug and conversation with Jenn was just over a month ago when she came to share her condolences to our family after recovering from surgery herself. That was Jenn, she was always present for others. You will be remembered and missed Jenn, rest in peace knowing our family is here for Starrlee, as you have always been 🐝 for us.
