

Mrs. Jo Ann Opperman

October 14, 2016

JoANN MARIE OPPERMAN (nee Grass) - 1947-2016

Jo (Jody) died in her 70th. year on Oct. 14 after decades of a stoic battle with Type 1 diabetes (diagnosed in 1970), and more recently, early-onset dementia. The latter reduced her formerly brilliant mind to a benign madness but she smiled through it and remained gentle and gracious.

Jo and husband Norm had a truly wonderful 49 year relationship with the usual peaks & valleys of many marriages. Together to the end, the bonds were often strained but not broken and the love endured.

Going on alone will be a lonely journey.

Her smile, laughter and look will remain to haunt and remind of the company once possessed.

Good-bye and Farewell for now.

“ Norm, our sympathy in the passing of Jo Ann. As an older cousin, my sisters and I looked up to her and as she was a classy lady, she was a great role model. Sending you love and prayers for peace.

“ *It was a privilege to know Jo and great fun to work alongside her during our years together at Pollution Probe in the late 1970s. She was a (very) few years older than me and I looked up to her with admiration. We worked hard for the environment but also had a blast! We had sporadic contact over the many years since then -- visits at the B&B in Niagara and more recently, at the care home in St. Kits. Even through my sadness that Jo's keen, sharp mind had left her, that winning smile and mischievous smirk were still very much present. Norm, my sympathies to you and to Jo's extended family -- take care and let's stay in touch. Love from Linda Pim*

“ *Hi Norm,
Condolences by computer. I am showing my age thinking this would never be accepted,
I am sorry for your loss. I remember fondly Mary's and my visit to your Bed and Breakfast and our stroll over to the winery. It was a lovely fall day, and I am reminded of it by October's bright blue weather. Peace and love to you.
