Joan Marie Luik (Nee Brown)

July 31, 1933 – December 12, 2018

In loving memory of Joan Luik, 85 years, passed away peacefully on December 12, 2018 at Sunnybrook Hospital.

Loving wife of Ando Luik for 52 years. Devoted mother to sons Scott (Jackie) and Jaan (Sherry). Cherished grandmother to Jaden, Owen, Sawyer, Cole and Jordyn.

Predeceased by her parents William and Margaret Brown. Dear sister to John, Gwendolyn, Margaret (Rosie), Winnifred (May), Gerald, Edna, William and Bonnie; and a caring aunt to many nieces and nephews in the extended Brown family. She was also loved as sister-in-law to Arvo and Marion Luik.

Joan was devoted to her family; loved art, nature, animals and embraced life. She hosted many celebrations for hockey parents, art shows, and gatherings for family and friends both at their home and at the cottage. Joan was immensely proud of her sons and grandchildren who brought her much joy. Joan won awards for her beautiful water colours, was a positive influence to the women she taught at Durham College, and along the way created a large, cherished group of friends who will remember her for her generous heart, wit, and devotion to husband and family.

The family wishes to thank her caregiver, Opal, as well as the doctors and

staff at Sunnybrook Hospital for their compassionate care.

“ When I think of Joan I remember her with fondness. She was warm, kind and spirited. She loved her family particularly her grandchildren. She enjoyed cooking, entertaining, her art, fashion and shopping and was always ready to embrace a new experience. On one such occasion in January we met for coffee in a little cafe and only after lots of discussion we realized that we both had a week with no plans.

"Let's go someplace" she suggested. Either by accident or our good fortune a travel agency was next door, so in we went. Our only parameters were it must be some place different and warm....The agent suggested C.A...so we booked a week at an all inclusive leaving that week-end.

Joan whole heartedly embraced the people, music, dancing with the group, swimming, group activities and of course the young pool boy who willingly climbed the palm trees and brought back coconuts which he cracked open for all of us to enjoy.

Both Charlie and I share memories of Ando cautioning her with Joan, Joan, Joan which always made us laugh.

As Charlie looks back over the many years he has known Joan he would like to share a few thoughts.....her strong commitment for her boys, her readiness to provide support for someone in need, fond memories of summer hockey tournaments and and the fun times many of us shared at the cottage.

Sleep well Joan, we miss you.

Affectionately,

Charlie and Marilyn

“ *I remember Joan when I first started working at the College in 1978. She was teaching non traditional jobs for women at that time. She was a very nice person and was always willing to listen.*
