“ She was my “Aunt Joan” , my mum’s best friend. We spent holidays, and weekends together. I loved my Aunt Joan. She was spirited, and fun. Opinionated, and generous. Bright, quick, and witty. If she didn’t like what you said, thought, or did, she’d let you know. She was also warm, and had great ideas and plans. I only have good memories of our time together. I won’t forget her her. She will be missed. ❤️

“ Joan was my son's mother-in-law for 12 years. She was at my house several times for dinner and on holidays. I always enjoyed her company and she did have a nice smile! I will miss the e-cards I received from her at holiday time! It was a pleasure to have known her. I will miss her!
May she rest in peace and God bless her!
