*I have known Joann for many years. I always enjoyed talking with her, hearing about her Family ("The Boys" That always included her Husband and her 2 Sons). You could certainly tell that they were the love of her life. Her smile was always from ear to ear.*

“ I worked with Joann at Wynford Drive for a short period of time. During that time she passed by my desk every day, her smile and cheery nature never faltered, she always made sure I was having a good day, she always stopped to chat. I will miss her, she glowed, and brought a bright light to our office.

*I will truly miss you Joann, my condolences to your family.....*

*I am sure you will light up heaven with your smile*

*Love*
