

## Mr. John Guy Arthur

September 21, 2012

Passed away peacefully on September 21 2012 at 5.55 pm last friday. His loving family Kathleen (his wife) and his son's Brian, David and Kevin, Brian's wife Catherine, his grandchildren Deanna, her husband Ryan and Victoria and his great-grandchild Dean, will miss him dearly. He was a kind and caring man, who was always there for his family and never left his wife's side through sickness and health, good or bad times. He will be missed by those he touched, he was always a friendly fellow and loved to talk to anyone who would listen to his stories. He also loved to read the newspaper to you and give his take on anything he read. He was a hard working man and proud of what he did, he worked for the De Haviland Aircraft Company for most of his life as an aircraft engineer and before that Lands and Forest in northern Ontario on the Otters and Beaver aircraft they used to fight forest fires. Guy did a lot of travelling in Ontario and Canada, but always said he never wanted to travel outside Canada because he had not seen all of Canada yet. Those of you who read this please put your thoughts and memories down also, so we can all remember different parts of his life with us. There will be a Service held at Hope Fellowship Church, 1685 Bloor Street, Courtice, Ontario on Tuesday, October 2, 2012 at 11 am for Guy, flowers can be sent to same address if you wish too and please attend if you can.
