“ I will never forget the countless photo albums that Aunt Dorothy and Uncle Jack had at their home! Filled with great memories of fun times and dinners with friends! Their love of exploring (ex. Egypt), Uncle Jack's laugh and smile, including his invariable "Well, well, well!"

*Lots of good memories staying with them at their condo in Toronto in my early 20s, even allowing friends of mine to stay as well. I will never forget how great and patient Uncle Jack was with letting Aunt Dorothy pick out his clothes & ties to coordinate with her (they were too cute!). You could clearly see his love and adoration for his beloved wife.*

*Joy of life and joy of the truth truly permeated him.*

*Love always,

“ I will always remember with such fondness the time when I was just sweet 16 and my dearest Uncle Jack came quickly to my rescue just when I needed him the most! My pioneer partner Kathy and I got to spend a whole month in the "big city" of Toronto at my grandparents place ( Arthur & Hazel Guest) while they were in Florida. Aunt Dorothy & Uncle Jack had the upstairs apartment at that time. ( only reason we were allowed to go)

*It was my 1st big trip away from home and of course my old "trusty" Valiant just HAD to break down right in the middle of busy Jane St.... at dusk no less! Help! I will never forget breathing this huge sigh of relief and knowing everything was going to be ok as I caught sight of sweet Uncle Jack running towards us...rope in hand, ready to attach my car to his and get us safely back home!! Ever calm and so caring.....you were my hero that day! 💜*
