“ I worked with Jack through most of my time with BMO. For many years he was a mentor and always a friend. I also worked with his wife Doreen for a number of years. They came together later in life than many couples but were a great match. Jack was a great husband and will be missed by all his family and all of his friends.##imported-begin##Jim Haslam##imported-end##

“ I remember well when Jack, Al Cheetham and John Cochrane left for Montreal. I was at Eglinton and Holly in Toronto with John. At that time these three were the smartist of the smartist. They actually understood the IBM test needed to leave branch banking. I also remember Jack as having the most interesting filing system in his cubicle. It needed no security system as Jack was the only p[erson] would could find the required information. Rest in Peace my friend##imported-begin##Charlie Kellington##imported-end##

“ *I only became aware of Jack's passing today. To his family I extend condolences.*

My first meeting with Jack was in the early 70's. His knowledge of most aspects of sailing in Canada was a revelation to me. We where of like mind on many subjects but when we had opposite views we had a "great dialogue" thanks to Jack's humouring a newcomer to the sport.

*Tennyson in his poem Ulysses said "I am a part of all I have met"
We are all richer for being able know Jack.*

“ My condolences on the passing of a dear sailing friend. Although out of touch since leaving ABYC, Jack was never far from my thoughts. Geoff had many great conversations with Jack about judging and sailing, and I like to think that the 2 of them are back at it over beers.....

My thoughts are with the Cameron family.##imported-begin##Wendy Evelyn##imported-end##

“ *The members of 5260 Investment Club (Montreal) wish to express their condolences to the family of Jack Cameron. He is well remembered by the longer-serving members of the Club and the contributions that he made to it. It is indeed unfortunate that he was not present at the 50th Anniversary of the Club held at the Forest and Stream Club in May 2010.*

We give our best regards to Doreen and daughters Kelly and Michelle.

“ Jack will be missed by many of us in the sailing community, a community to which he made tremendous contributions over the years. He guided many of us along the way, and mentored us as we learned from him how to give back to the sport we share. Those of us involved in the sailing program at ABYC especially will miss his tremendous contribution and wisdom, not to mention the hours upon hours he spent tirelessly working on the awards and presentations, helping out in the office in a time of need and serving on protest committees.

I will miss his smile as he greeted me at the club, and I will miss his counsel and his friendship of over 25 years.
